ACKNOWLEDGEMENT

The satisfaction that accompanies the successful completion of any task would be incomplete without the mention of the people who made it possible and whose constant guidance and encouragement crown all the efforts with success.

Firstly, I would like to thank **Rani Channamma University, Belagavi** for providing an opportunity to do project/internship work in academics.

My sincere thanks to **Dr.Shivanand Gornale**, Chairman of Department of Computer Science for accommodating us the best Facilities.

I would also like to thanks to the **Ass. Prof. T.R.Arunkumar** project guide who has continuously helped and gave valuable suggestions to guide us in the successful completion of the project work.

Finally, I would like to accolade my family, friends and other staff for their constant support guidance and encouragement during project working time.
