Rani Channamma

University, Belagavi

DEPARTMENT OF COMPUTER SCIENCE

MASTER OF COMPUTER APPLICATION

2018-19

A Project Report on

“Intelligent Delight Management System”

Submitted by

Mr. Shubham Sajannavar

MCA VI Semester

Reg No: CA172007

Under the Guidance of

Prof. T.R.Arunkumar

Asst. Professor

Department of Computer Science
Rani Channamma University, Belagavi

ACKNOWLEDGEMENT

The satisfaction that accompanies the successful completion of any task would be incomplete without the mention of the people who made it possible and whose constant guidance and encouragement crown all the efforts with success.

Firstly, I would like to thank **Rani Channamma University, Belagavi** for providing an opportunity to do project/internship work in academics.

My sincere thanks to **Dr.Shivanand Gornale**, Chairman of Department of Computer Science for accommodating us the best Facilities.

I would also like to thanks to the **Ass.Prof.T.R.Arunkumar** project guide who has continuously helped and gave valuable suggestions to guide us in the successful completion of the project work.

Finally, I would like to accolade my family, friends and other staff for their constant support guidance and encouragement during project working time.

DECLARATION

I Mr. Shubham Dayanand Sajannavar hereby declare that this dissertation entitled “**Digital Advertise (D-Ads)** ” is independently carried out under the guidance of **Assistant Professor T.R.Arunkumar**, Department of Computer Science, Rani Channamma University, Belagavi, in partial fulfillment of the degree of **Master of Computer Application**, during academic year 2018-2019.

I also declare that I have not submitted this dissertation to any other university for award of any degree.
